Auschwitz-Birkenau is the site of the largest mass murder in human history. Yet its story is not fully known. In Auschwitz, Laurence Rees reveals new insights from more than 100 original interviews with Auschwitz survivors and Nazi perpetrators who speak on the record for the first time.

Auschwitz: A New History by Laurence Rees, Paperback ...

Auschwitz: A New History was filled with new facts and numerous interviews with survivors and former SS. I liked the detailed interviews which spanned from Jewish people from numerous countries that turned them over to the Reich, gypsies, POWs, Jehovah's Witness, and other groups of people that in most books might have been passed over.
