"Get out the vote" or "getting out the vote" describes efforts aimed at increasing the voter turnout in elections. In countries that do not have or enforce compulsory voting, voter turnout can be low, sometimes even below a third of the eligible voter pool. GOTV efforts typically attempt to register voters, then get them to vote, by absentee ballot, early voting or election day voting. GOTV is generally not required for elections when there are effective compulsory voting systems in place, other
