The India Fan Victoria Holt

I honestly do not really care one tiny bit that Victoria Holt's 1988 novel The India Fan is obviously set in 19th century England and India and is thus of course also meant to display a certain and specific historical attitude and point of view (and yes indeed, the only part of The India Fan that actually did make me somewhat smile with personal if also a bit guilty Schadenfreude was when that horrid, nymphomaniac and full of herself Lavinia Framling actually got her in my opinion just desserts).

The India Fan. Victoria Holt. Buy This Book. Although I read a lot of Victoria Holt’s novels in my twenties, The India Fan is one that somehow passed me by, so I was delighted to see that it’s being reissued – and with a lovely new cover. For anyone not familiar with the author, Holt is one of several pseudonyms used by the very prolific British author Eleanor Hibbert (Burford).

The India Fan by Victoria Holt : All About Romance

I am a huge fan of Eleanor Hibbert who wrote as Victoria Holt, among other pen names. 30 years ago, during my teenage years, I spent many long summer days being swept away by her tales of gothic romance. I am thrilled that Amazon is releasing her books on Kindle. Having said that, The India

Fan is not my favorite book by this author.
