We have extensive experience in estimating and tendering for construction work for projects of all sizes, complexities and values. We work with main contractors and sub-contractor as our clients and source competitive and accurate quotations from specialist sub-contractors and suppliers which we then build into our tenders.

Estimating and Tendering | Quantity Surveyors

The estimating and cost forecasting techniques previously considered have relied mainly on the use of historical cost data to attempt to predict likely costs at an early stage of design. As the design develops, however, contractors will usually try, as far as possible, to use analytical estimating methods using current cost data as a base.
