Handbook of International Relations (2nd ed.)

Drawing together a diverse range of scholars, the Routledge Handbook of Ethics and International Relations provides a cutting-edge overview of the field by bringing together these eclectic, albeit dynamic, themes and topics. It will be an essential resource for students and scholars alike.

Routledge Handbook of Ethics and International Relations ...

The academic study of international relations can be considered a debate about realism. Realism provides a foil against which many other schools of thought define themselves and their contributions. Take realism out of the picture and the identities of these other schools as well as the significance of their arguments become much less

clear.
