Until You was my responsibility. Rival was my pleasure. But Falling Away was my destiny. Every whisper, every breath, every kiss, and every word came from my gut. This is the book I'm most proud of.

Until You *Penguin*

From New York Times and USA Today bestselling author Penelope Douglas comes a companion novel to Bully. This is Jared's story. Have you ever been so angry that hitting things felt good? Or numb to all emotions? The past few years have been like that for me. Traveling between fury and indifference with no stops in between. Some people hate me for it, while others are scared of me. But none of them can hurt me, because I don't care about anything or anyone. Except Tatum. I love her so much that I hate her. I hate that I can't let her go. We used to be friends, but I found out that I couldn't trust her—or anyone else. So I hurt her. I pushed her away. But I still need her. She centers me. Engaging her, challenging her, pushing her—it's the one last part of me that feels anything anymore. But then she went and screwed everything up. She left for a year and came back a different girl. Now, when I push, she pushes back...and I'm not sure either one of us will ever be the same. Includes a teaser for RIVAL, the next unforgettable novel from Penelope Douglas.... Praise for Bully: "Bully was a wonderfully addictive read that kept my heart racing from start to finish. I could not put it down! 5 stars!!"—Aesta's Book Blog "A heated and passionate novel, full of feeling and intensity that will appeal to the reader seeking an emotional rush."—IndieReader.com Penelope Douglas is a writer and teacher in Las Vegas. Next To Never *Penguin*

Quinn Caruthers has several problems: her father, Jason, and her three older brothers, Jared, Madoc, and Jaxon. Under the close watch of the men in her family, Quinn has found it nearly impossible to spread her wings—or even date—without them jumping in to hover. And when a family friend—several years older—from her childhood captures her heart, she knows they're going to be a problem. Lucas Morrow is a man—experienced, sophisticated, and important. And knowing her brothers, he may as well be forbidden. But Lucas left town years ago and shows no signs of returning. Quinn knows she shouldn't wait for him anymore. But then a package turns up on her doorstep with no return address and its contents reveal family secrets that threaten to turn Quinn's world upside down. She's never asked about the tumultuous path of her parents' romantic history, but she soon learns their happy marriage had a very rocky and passionate start. Two years ago, Jared left town, and Tate's life is exactly where she wants it to be. Or that's what she tells herself... Because two years ago, her heart also stopped beating, and no matter the success in school or the support of her friends, there's only one time every week she can feel that same rush in her blood: Friday nights on the track. That's hers, not his, and to hell with anyone that gets in her way again. Especially him. Meeting Tyler Marek for the first time makes it easy for Easton to see why his son is having trouble in school. The man knows how to manage businesses and wealth, not a living, breathing teenage boy. The Road *Vintage*

NATIONAL BESTSELLER • WINNER OF THE PULITZER PRIZE • A searing, post-apocalyptic novel about a father and son's fight to survive, this "tale of survival and the miracle of goodness only adds to McCarthy's stature as a living master. It's gripping, frightening and, ultimately, beautiful" (San Francisco Chronicle). A father and his son walk alone through burned America. Nothing moves in the ravaged landscape save the ash on the wind. It is cold enough to crack stones, and when the snow falls it is gray. The sky is dark. Their destination is the coast, although they don't know what, if anything, awaits them there. They have nothing; just a pistol to defend themselves against the lawless bands that stalk the road, the clothes they are wearing, a cart of scavenged food—and each other. The Road is the profoundly moving story of a journey. It boldly imagines a future in which no hope remains, but in which the father and his son, "each the other's world entire," are sustained by love. Awesome in the totality of its vision, it is an unflinching meditation on the worst and the best that we are capable of: ultimate destructiveness, desperate tenacity, and the tenderness that keeps two people alive in the face of total devastation.

Alexander and the Terrible, Horrible, No Good, Very Bad Day *Simon and Schuster*

On a day when everything goes wrong for him, Alexander is consoled by the thought that other people have bad days too.

Distant Desires

Distant Desires An erotic tale from beyond the stars Sophie Perez has never believed the stuff she reads online about possible life in space. Aliens are for the movies, for the weirdoes, and they most definitely are not real. One night on the way home from a late shift at work, her car breaks down. Stranded on the side of a country road, with a dead cell phone, doesn't seem like that big of a deal. Until strange neon lights appear in the sky. She thinks it is her imagination. When an inexplicable circular ship appears overhead, she can't deny what's clearly right in front of her. Especially when moments later, she's taken onto the ship, a human hostage among those who are most definitely not human. About to become a human guinea pig, possibly worse, the last thing she ever expects is to like the things these otherworldly beings subject her to. In fact, it is unlike anything she's ever experienced. Will Sophie find her way back to her planet, or will she beg to stay where her pleasure is literally out of this world?

Falling *Open Road Media*

An aging con man sets his sights on a twice-burned, sixtyish woman in this suspenseful novel from the author of the bestselling Cazalet Chronicles. Harry Kent is the caretaker of a houseboat on the English canal where he lives, subsisting on a nightly dinner of tinned steak and kidney pudding. Although love has been the single most important influence in his life and he believes he knows what the other sex wants, he is separated from his wife and has left behind a string of other failed relationships. Playwright Daisy Langrish has just bought a weekend cottage in the country. She has an estranged adult daughter, Katya, from her first marriage, and a grandchild. Her second marriage, to a handsome actor seven years younger, recently ended in a painful divorce. When Harry shows

up looking for work, Daisy, needy and vulnerable, hires him first as a gardener and then, while she's away in America, as caretaker. But when she returns to England, she begins to fall for her charming employee. Slowly and with masterly skill, Harry seduces Daisy, drawing her in to his spiraling web of lies and deception. Ten Below Zero *CreateSpace*

"In here," he said, pushing on the skin above my heart, "you're ten below zero. And you're closer to death than I am." My name is Parker. My body is marked with scars from an attack I don't remember. I don't want to remember. I choose to live my life by observation, not through experience. While people are laughing and kissing and connecting, I'm in the corner. Watching them live. I'm indifferent to everything, everyone. The only emotion I feel with any kind of depth is annoyance, and I feel it often. A text message sent to the wrong number proves to be my undoing. His name is Everett, but I call him rude. He's pushy, he's arrogant, he crowds my personal space, and worst of all: he makes me feel. He chooses to wear all black, all the time, as if he's waiting to attend a funeral. Probably because he is. Everett is dying. And he's spending his final days living, truly living. In doing so, he's forcing me to feel, to heal. To come face to face with the demons I suppressed in my memory. He hurts me, he fulfills me, he completes me. And still, he's dying.
