Make sense of - Idioms by The Free Dictionary

Sensemaking or sense-making is the process by which people give meaning to their

collective experiences. It has been defined as "the ongoing retrospective development of plausible images that rationalize what people are doing". The concept was introduced to organizational studies by Karl E. Weick in the 1970s and has affected both theory and practice. Weick intended to encourage a shift away from the traditional focus of organization theorists on decision-making and towards the processes that co
