With the arrival of Lilian and Leonard Barber, a modern young couple of the “clerk class,” the routines of the house will be shaken up in unexpected ways. Across the Plains

Sarah Royce's Western Narrative *University of Arizona Press*

On April 30, 1849, Sarah Bayliss Royce, along with her husband, Josiah, and their daughter, Mary, left her home in Tipton, Iowa, and headed for California in a covered wagon. Along the way, she kept a diary which, nearly thirty years later, served as the basis for a memoir she titled *Across the Plains*. That book has been freshly transcribed by Jennifer Dawes Adkison from Royce’s original handwritten document, and this new edition is faithful to the original, restoring several passages that were omitted from the previous edition. In a new introduction Adkison reveals *Across the Plains* to be far more than a simple narrative of one pioneer woman’s journey west. She explains that Royce wrote the book at the request of her son, Josiah Royce, a well-known professor of philosophy at Harvard University with motives of his own. She crafted the narrative that her son wanted: an argument for spiritual faith and fortitude as foundational to California’s history. Yet the narrative itself, in addition to offering a window into a world that has long lacked close documentation, gives us the opportunity to study the ways in which nineteenth-century western women asserted this primacy of faith and crafted their experience into stories with larger cultural and social resonance. Scholars have long used *Across the Plains* to mold and support an iconic image of the resolute pioneer woman. However, until now no one has considered Royce’s own self-conscious creation of this persona. Readers will discover that in many ways, Sarah Royce’s careful construction of this cultural portrait deepens our respect for her and our

delight in her travels, travails, and triumphs.

From the #1 bestselling authors Hillary Clinton and Louise Penny comes a novel of unsurpassed thrills and incomparable insider expertise—State of Terror. After a tumultuous period in American politics, a new administration has just been sworn in, and to everyone’s surprise the president chooses a political enemy for the vital position of secretary of state. There is no love lost between the president of the United States and Ellen Adams, his new secretary of state. But it’s a canny move on the part of the president. With this appointment, he silences one of his harshest critics, since taking the job means Adams must step down as head of her multinational media conglomerate. As the new president addresses Congress for the first time, with Secretary Adams in attendance, Anahita Dahir, a

young foreign service officer (FSO) on the Pakistan desk at the State Department, receives a baffling text from an anonymous source. Too late, she realizes the message was a hastily coded warning. What begins as a series of apparent terrorist attacks is revealed to be the beginning of an international chess game involving the volatile and Byzantine politics of Pakistan, Afghanistan, and Iran; the race to develop nuclear weapons in the region; the Russian mob; a burgeoning rogue terrorist organization; and an American government set back on its heels in the international arena. As the horrifying scale of the threat becomes clear, Secretary Adams and her team realize it has been carefully planned to take advantage of four years of an American government out of touch with international affairs, out of practice with diplomacy, and out of power in the places where it counts the most. To defeat such an intricate, carefully constructed conspiracy, it will take the skills of a unique team: a passionate young FSO; a dedicated journalist; and a smart, determined, but as yet untested new secretary of state. State of Terror is a unique and utterly compelling international thriller cowritten by Hillary Rodham Clinton, the 67th secretary of state, and Louise Penny, a multiple award-winning #1 New York Times bestselling novelist.
