**What is
Occupational
Therapy (OT)? |
OccupationalTherap
yOT.com**

Abstract. Work has been at the core of occupational therapy for the last seven and a half decades. The tenets of work, which include providing a way of making a living and giving meaning to one's existence, have remained consistent throughout occupational therapists' use of work in the treatment of physical disabilities during three eras: World Wars I and II, the era of industrial therapy, and the work-hardening era.
