A book that will inspire readers to connect more deeply with the natural world, from the award winning author of Sometimes I Feel Like A Fox. Inspired by the expression “once in a blue moon,” Danielle Daniel has created a book of short poems, each one describing a rare or special experience that turns an ordinary day into a memorable one. She describes the thrill of seeing a double rainbow, the Northern Lights or a shooting star as well as quieter pleasures such as spotting a turtle basking in the sun or a family of ducks waddling across the road. In accessible language and delightful, naïve images, Once in a Blue Moon celebrates the magical moments that can be found in the beauty and wonders of nature. With the same simple yet sophisticated design as Danielle’s award-winning picture book Sometimes I Feel Like a Fox, this book is a very accessible and inviting introduction to poetry for young readers. Twice in a Blue Moon Simon and Schuster

From the New York Times bestselling author of The Unhoneymooners and the “delectable, moving” (Entertainment Weekly) My Favorite Half-Night Stand comes a modern love story about what happens when your first love reenters your life when you least expect it... Sam Brandis was Tate Jones’s first: Her first love. Her first everything. Including her first heartbreak. During a whirlwind two-week vacation abroad, Sam and Tate fell for each other in only the way that first loves do: sharing all of their hopes, dreams, and deepest secrets along the way. Sam was the first, and only, person that Tate—the long-lost daughter of one of the world’s biggest film stars—ever revealed her identity to. So when it became clear her trust was misplaced, her world shattered for good. Fourteen years later, Tate, now an up-and-coming actress, only thinks about her first love every once in a blue moon. When she steps onto the set of her first big break, he’s the last person she expects to see. Yet here Sam is, the same charming, confident man she knew, but even more alluring than she remembered. Forced to confront the man who betrayed her, Tate must ask herself if it’s possible to do the wrong thing for the right reason... and whether “once in a lifetime” can come around twice. With Christina Lauren’s signature “beautifully written and remarkably compelling” (Sarah J. Maas, New York Times bestselling author) prose and perfect for fans of Emily Giffin and Jennifer Weiner, Twice in a Blue Moon is an unforgettable and moving novel of young love and second chances.
