Hi All, The wife and I
are deciding on which
2012 328i to buy. We
have settled on the
sport model but the
great debate for us lies
in which transmission.
We are both
experienced manual
drivers and enjoy the
manual experience.
Further, our current
328i is a manual and
we both love to drive
it. However, the 8
speed auto seems
enticing and it is fun to
drive (we test drove
the auto).

8 speed auto or 6 speed manual - Bimmerforums.com

Give me an E30 325is and I want a 5-speed manual over the slush box 4-speed automatic. Any older M car should be a manual - IMHO. Give me a new F10 535i (like I have currently) and I want the 8-speed automatic in sport mode - the manual 6-speed is more of a hassle in this case.
